Community Healing Centers announces gradual reopening of services, beginning June 29th, 2020

- Elizabeth Upjohn Adult Outpatient Services, Kalamazoo
The option for in-person therapeutic services begins on June 29th, for scheduled clients. We will be providing in-person sessions from 8 am to 5 pm. All group sessions will remain in a telehealth format to aid with social distancing. Please contact our Intake Specialist at 269-343-1651 x156 to schedule your in-person or telehealth visit.
- Elizabeth Upjohn Children's Services, Kalamazoo
Children's Services are a specialty service area of Community Healing Centers. Our therapeutic staff welcome your interest in setting an appointment via telehealth or scheduled in person. Call 269-343-1651 to schedule a session.
- Gilmore Inpatient Substance Use Recovery Services, Kalamazoo
Our inpatient location has remained open as an essential service, and continues to serve individuals seeking treatment for substance use disorders. We have established strict social distancing protocols and expanded safety and cleanliness procedures at the site. Call 269-382-9820 to schedule admission.
- Adult Outpatient Services, Niles
The option for in-person therapeutic services begins on June 29th, for scheduled clients. We will be providing in-person sessions from 8 am to 5 pm. All group sessions will remain in a telehealth format to aid with social distancing. Please call 269-684-7741 to schedule your in-person or telehealth visit.
- Carol's Hope Engagement Center, St. Joseph
As of June 22nd, Carol's Hope is back to full operational capacity. The program runs 24/7, seven days a week. Should you or someone you know need guidance navigating substance use recovery, call 269-556-1526.

Our facilities have been professionally cleaned and sanitation procedures will be maintained throughout the day, at each of our sites, to provide a safe environment for staff and clients.

We ask that all staff and clients wear a mask during their time at the Community Healing Centers.
