Community Healing Centers is updating the status of services due to COVID-19.

· **Elizabeth Upjohn Adult Outpatient Services, Kalamazoo**

The option for in-person therapeutic sessions as well as Telehealth sessions is available. Currently, all group sessions will remain in a telehealth format to aid with social distancing. Please contact our Intake Specialist at 269-343-1651 x156 to schedule your in-person or telehealth visit.

· **Elizabeth Upjohn Children's Services, Kalamazoo**

Children's Services are a specialty service area of Community Healing Centers. Our therapeutic staff welcome your interest in setting an appointment via telehealth or scheduled in person. Call 269-343- 1651 to schedule a session for your child.

· **Gilmore Inpatient Substance Use Recovery Services, Kalamazoo**

Our inpatient detox and residential program has remained open as an essential service and continues to serve individuals seeking treatment for substance use disorders. We have established strict social distancing protocols and expanded safety and cleanliness procedures at the site. Call 269-382-9820 to schedule admission.

· **Adult Outpatient Services, Niles**

The option for in-person therapeutic sessions as well as Telehealth sessions is available. Currently, all group sessions will remain in a telehealth format to aid with social distancing. Please call 269-684-7741 to schedule your in-person or telehealth visit.

· **Carol's Hope Engagement Center, St. Joseph**

The program operates 24 hours Monday through Thursday, and until 12am (midnight) on Friday. We are closed or by appointment/emergency on weekends. Should you or someone you know need guidance navigating substance use recovery services, call us at 269-556-1526.

Our facilities are being professionally cleaned and sanitation procedures will be maintained throughout the day, at each of our sites to provide a safe environment for staff and clients.

We ask that all staff and clients wear a mask during their time at the Community Healing Centers.
